Step by Step
the longest march can be won. Many stones can form an arch, singly none...
Our advocacy creates stepping stones to thriving communities...

In the State Legislature, we march on to:
• Advocate for a biennial budget that protects people living in poverty
• Restore justice to our criminal justice system
• Ensure housing, healthcare, and mental health for all
• Protect immigrants and civil rights
• Promote environmental justice

In Congress, we worked with coalitions to successfully:
• Protect the Supplemental Nutrition Assistance Program (SNAP) in the Farm Bill
• Promote criminal justice reform with bi-partisan support of the First Step Act

If we want to make our country greater than we could ever imagine, we would unleash the values in this room!
